DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The updated claimed invention summary from 11/13/2006, which now includes references to the specification and drawings, has been considered and entered because it overcomes the previous issue of non-compliance. The application has been forwarded to the Board of Patent Appeals and Interferences for decision on the appeal.

PATRICK N. EDOUARD
SUPERVISORY PATENT EXAMINER
